Band Program Update

- Rodney needs help with concessions on Thursday, 30 Jan at 5pm. He will be out of town and needs a chaperon. Only one game. Julie volunteered.
- Band was asked to support concessions for 7th grade volleyball tournament 28-29 Feb. The hope is to make up lower revenue from two game nights for girls basketball (no JV this season). Will talk more next meeting. Could make up to \$1000.
- Need parent volunteers to run concessions at the Pops Concert, Thursday March 5th. Need at least three, four would be better.
- Quad State – four students going, need three rooms. Rodney will determine budget and make a request of the Parent org.
- Another school is interested in our War Dance props. Rodney is running down the shipping costs and will, with Terry, figure out what we paid for them, and update Parent org.
