

Wesclin Band Parent Organization
Meeting Minutes
October, 2019

The October meeting of the Wesclin Band Parent Organization was called to order at 7 pm by Julie Brown, chair. The minutes from the September meeting were reviewed along with the treasurer's report. The organization will pay the school \$750 for half of the stage cost. Thanks to Jim Brown for all of the work he did on coordinating with the aluminum fabricator, installing the wood top, wheels, and much more.

Band Program Update

The Clinton County High School Marching Exhibition was again a great success. Thanks to all the parents that assisted that evening. Around 1300 cans and \$410 was collected and delivered to the food pantry at Zion United Church of Christ.

Fifteen Wesclin students were selected for the Prairie Honor Band Festival to be held at WHS on Tuesday, November 26. The BPO will be in charge of coordinating meals for the day. Mike Donaldson volunteered to be the lead person. One meal will most likely be sandwiches and the other pizza, with a nicer dinner for the directors.

Cardinals calendar fundraising forms will go out by the end of October.

Two football games and two competitions left this season. All volunteer positions are covered.

Old Business

The mattress fundraising reps will be here for a kickoff meeting on October 22, just preceding the evening band rehearsal. Continue to spread word of the sale. Rodney will coordinate how to apply web store credits for incentives.

Curt Geiler will work with Texas Roadhouse and Jeannine Huegen with Dairy King on possible fundraising opportunities.

Budget

Will be paying for percussion staff...waiting on hard numbers.

Upcoming Fundraising Events

Trivia Night will take place on April 4. Need to organize silent auction items sooner than later. Renee Holmes has taken the lead on this event.

Next meeting schedule for November 21 at 7 pm.

Mike Donaldson, secretary
